In order to participate in the marching band activity at St. Charles West, each student must complete a standard physical examination. For your convenience, we will bring a licensed physician to St. Charles West on Thursday 7/14. For \$15.00 students will receive a physical examination which will consist of a spinal examination and a review of vital systems. Parents are welcome to attend the physical examination with their student. We will be conducting the examinations from 6:30pm to 9:00pm.

In order for you to take advantage of this, we must have written permission from a parent or legal guardian. Please complete the documentation below and submit at the time of your physical examination.

Parent Name: _____

As the parent/legal guardian, I give permission to Dr. Terrance Keith McKellar to perform a physical examination on my student : _____ for the purpose of satisfying the requirements of the Missouri State High School Activities Association.

Parent Signature: _____ Date: _____
